I do wish they'd make all this stuff split up like it is on console. but for what it is. this is actually an OK price compared to console. Those costumes tend to be about 2 dollars per costume if I remember correctly. so I guess if you add up all the costumes you get in these bundles. it's not a TERRIBLE price. It's just a bit much to get all at once. Definitely a bit more appealing during a sale. Kinda wish under recommend there was a neutral option.. Like the others, over 9 billions thousands sexiness hotter than hell. abuusive excessive price.. Great. More costumes. Now for the price of a half decent prostitute. I can buy the rest!. Why DLC is so pricy any significance except the f-ing looks? its more expensive the the game itself you know your just stealing at this point i don't know if ill ever buy more of them its just ridiculous.. Most of them look great!. It a great edition to doa 5 lr. Many costumes to choose from. Fun theme game play! Yay! :). This just in: sex sells!. The price is too high. If it wasnt on sale I never would have bought it. The costumes look good. but the fact of the matter is that the only way to fully enjoy them is too always pick randoms. If you play doa every single day like I do. then I guess youll be getting your moneys worth in sheer playtime.

---

This DLC Price is ridiculous.

But bought ... Because I love Marie Rose.

. Love this set. The police costumes are a must have!!!. Love it! Tons of costumes.. In my opinion this is the most fappable costume set. Got this during a sale for \u00a319.99 and I suppose thats the going rate for a porn movie which kind of makes it ok.. I just hope people online believe me when I say I bought this on sale.... ON SALE DAMMIT! \*shakes fist\* ((Even then it's too much.))

Seriously though, only buy this on sale. \u00a340 is a \u2665\u2665\u2665\u2665ing rip off.

PS: The thumbs down is because the DLC in this game is only worth if it's on sale, not because it's bad content.
